

WHAT IS COMMINGLING (GUESTING INTO HKJC WIN, PLACE AND QUINELLA PLACE POOL)

Commingling of pools is where one totalisator organisation combines its wagering pool with another to create one common dividend. With a bigger betting pool, racing fans can enjoy greater dividend stability and potentially higher dividends.

RSTC is commingling its Win, Place, and Quinella Place pools into these respective pools operated by The Hong Kong Jockey Club (HKJC).

RSTC is the "guest" of the commingled pools, and HKJC is the "host". With commingling, RSTC racing fans bet directly into the Win, Place, and Quinella Place pools for all Hong Kong races.

For commingling to take place, the “guest” is to follow the “host” betting rules. Kindly see HKJC’s betting rules:
